

LIMITED SITE LICENSE AGREEMENT

This agreement, dated _____, between Chariot Software Group (Licensor) and the school named below (Licensee) sets forth the terms and conditions under which a site license is granted for the gradekeeping program known as MicroGrade.

School Name _____
District/Department _____
Contact Name _____
Address _____
City, State, Zip _____
Telephone: _____ Fax: _____ E-mail: _____

The parties agree as follows:

- 1. The license shall be for the Macintosh OS9, Macintosh OSX and Windows versions of MicroGrade.

Serial Numbers:

(Mac OS9 Version 6.1.2) _____
(Mac OSX Version 6.1.2) _____
(Windows Version 6.1.2) _____

- 2. The license fee shall be: \$ _____
3. The license shall be limited to: _____ Users
4. Licensor will provide Technical Support and WebGrade access for a period of 60 days from the date of this license to all users at the site indicated above. After 60 days, WebGrade access will only continue to Licensees that purchase the annual WebGrade Service Plan.
5. The Licensee shall receive:
• Two System Master CD-ROMs
• Two printed Installation Instructions per platform
• Two printed Registration and Deactivation Instructions
• Two printed Quick Reference Cards
• One 3 1/2" Floppy Disk for the Site Tech Coordinator
• WebGrade Service Plan order form
• Site License Documentation order form
6. The Licensee may:
• Make copies of the program for use at the site listed above.
• Print copies of the MicroGrade User's Guide as needed.
• Allow each instructor at the site to make one copy of the program for home use.
(If an instructor is going to discontinue using MicroGrade they will need to deactivate their installation to recover the license)
7. The Licensee may not:
• Use the program except as permitted above.
• Copy any part of the program or documentation except as permitted above.
• Distribute or transfer copies of the program or documentation to others including other schools and their personnel.
• Sell or lease copies of the program or documentation to others. Licensee must use its best efforts to prevent such illegal distribution.
• Alter, modify, or otherwise adapt the program or documentation for any purpose.
